

“Come, Let Us Sing the Song of Songs!”

Today, we thank God for the gift of music, a heart-felt expression of the love, comfort, and covenant we share. Music joins our hearts in Christian unity and calls us to charity.

For Moravians, music helps us express the meaning of words with all our hearts; and words provide true meaning and purpose to the beauty and energy of the music.

Can you speak the words of your favorite hymn without hearing the melody and harmony? Can you hum or hear the band play that tune without thinking of the words?

For 67 years now, Moravians have held “Moravian Music Festivals” every few years to celebrate the importance of music in our lives and in our faith – past, present, and future. When we hold a “Moravian Music Festival” or celebrate the gifts of Moravian music, we’re not just “tooting our own horn” – we are honoring one of the very real gifts that God has given to the Moravian Church.

Each Moravian Music Festival, beginning with the very first one in Bethlehem, PA, in 1950, is an opportunity for participants and listeners to learn music you haven’t before experienced; to form new bonds with brothers and sisters

around the world, and to rekindle old friendships; and to worship the Lord who is himself our Song of songs.

The 25th Moravian Music Festival will be in Winston-Salem, NC, July 23-29, 2017. Musical activities are planned for all ages, kindergarten through adult. Some travel subsidies are available for those from the Western and Canadian Districts, and some scholarships are available for young people. Please visit our website, www.MoravianMusicFestival.org, for more information!

Moravian Music Festivals are not only for “professional” or “trained” musicians; they’re for anyone who loves music and wants to enjoy fellowship, worship, and music together!
