

The **Award of Merit**, established by the Board in 1973 and activated in 1982, is given to deserving groups or individuals who have shown an unusual interest in the Moravian Music Foundation by the contribution of their time, talent, money, or material possessions. It is to be given more freely than the Moramus Award.

Nominations of candidates for the Merit Award may be presented to the Nominations and Awards Committee or may be instigated by the committee itself. The committee shall present recommendations of candidates, together with pertinent supporting information, to the Board of Trustees for its approval.

The Award of Merit is given in the form of a certificate, signed by the President of the Board of Trustees and the Director of the Moravian Music Foundation.
